

19<sup>th</sup> November 2019

Dear Parent/Guardian,

As you may already be aware, Health and Social Care students have an exam on Friday 7<sup>th</sup> February. This will be for their Component 3 Health and Well-being and will determine if they achieve a qualification. The exam needs to be passed in order for them to gain their qualification, then their course work is added to their overall grade.

Our Health and Social Care teachers are working hard to ensure that delivery of the component is delivered in lesson as well as extra revision. The health and social care teachers will also be setting extra revision for homework in the time leading up to the exam.

We would appreciate your help in ensuring that this work is complete and that students are encouraged to work to their full ability within the lessons. At present students need to be focused in lessons so they are fully aware of the expectations of the exam.

If you have any questions or concerns, please do not hesitate to contact me at the Academy.

Yours faithfully,

Miss B. Peck  
Head of Options and Pathway
