

31 January 2020

Dear Parent/Carer

The last fortnight has been an exceptionally busy one for our Yr 2 learners as they have completed their mock exams. We have 49 days before the first exam takes place and many of them are working very hard.

Our learners have continued to produce some excellent work, in their pathways, whilst at enrichment and in their option subjects. Some of the pictures taken have been making their way onto our social media sites. Nails, boxercise and barbering are amongst those to grab the highlights and they are learning skills that will support future employment.

Lunchtime clubs are up and running and there are a range of activities and space to chill. Films and Fifa tournaments are a couple of the options available to take part in.

We have some amazing talents and we are looking forward to seeing one of our artists who will be going to London following an invite to the Japanese Embassy to display her Japanese inspired art work.

Can I also remind you that the Open Event will be taking place on Tuesday 4 February at the college for courses next year. Our apprenticeship team will also be available to discuss options and have excellent knowledge of all opportunities. The event will be highly interactive with many 'hands on' demonstrations. I would encourage you to attend to help you find out everything you need to plan your next step.

I look forward to sending you further updates each fortnight.

Yours faithfully
