Teaching priorities for current academic year

Measure	Activity
Priority 1	Teaching and learning will be excellent across all provision
Priority 2	Staff digital teaching skills will be enhanced
Priority 3	Maintain low group sizes to maximise achievement
Barriers to learning these priorities address	access to technology
Projected spending	£29,546

Targeted academic support for current academic year

Measure	Activity
Priority 1	Establish baseline skills, knowledge and behaviours for disadvantaged students
Priority 2	Target support for high grades achievement across pathways and GCSEs
Priority 3	Maximise parental engagement to positively influence outcomes
Barriers to learning these priorities address	, lack of transition files from previous schools, low levels of parental support influencing weaker outcomes for some students.
Projected spending	£29,546

Wider strategies for current academic year

Measure	Activity
Priority 1	Improve attendance by providing transport, uniform, food and specialist technical clothing and equipment
Priority 2	Support Safeguarding and personal development for disadvantaged learners.
Priority 3	Ensure high levels of positive progression to Further Education and apprenticeships
Barriers to learning these priorities address	low levels of progression ambition.
Projected spending	£29,546
